**OFFICE OF PETITIONS**

In re Application of :  
Dean L. Engelhardt, et al. :  
Application No. 09/727,349 :  
Filed: November 30, 2000 :  
Attorney Docket No. ENZ-52(D1) :  
ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed May 28, 2002, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action mailed February 28, 2001, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on May 29, 2001.

37 CFR 1.137(d) requires a terminal disclaimer dedicating to the public a terminal part of the term of any patent granted on the above-identified application or any patent granted on any continuing application that contains a specific reference under 35 U.S.C. 120, 121, or 365(c) to the above-identified application. Since the application is not a utility or plant application filed before June 8, 1995, a terminal disclaimer is not required. Accordingly, the terminal disclaimer filed with the instant petition is unnecessary.

Telephone inquiries concerning this decision should be directed to Cheryl Gibson-Baylor at (703)308-5111, or in her absence, Sherry Brinkley at (703)305-9220.

The application file is being forwarded to Technology Center 1600, Art Unit 1655.
